

## Election Judges Are Ready for July 23

### Thirteen Boxes in the County With Four in City of Canyon

Randall County will have 13 voting boxes this year, four of which will be in Canyon, stated A. M. Smith, County Chairman, yesterday. Election judges have been appointed and the supplies and ballots are ready for the vote taking one week from Saturday.

In Canyon four boxes will be ready for the voters of precinct No. 1. All who live west of the high school building will vote at the school house, where L. A. Donnell is judge. All in Precinct No. 1 who live east of the highway will vote at the College Oasis where Cass Jennings will be judge. The boundary line for the balance of the precinct will be Fourth avenue, those living north will note at the City Hall, where J. C. Dowd is judge, and those living south of Fourth Avenue voting at the Court House where Hud Prichard is the judge.

The following will be all of the voting boxes of the county and the judges:

- No. 1 Hud Prichard.
- No. 2 J. J. Leavitt.
- No. 3 T. V. Slack.
- No. 4 E. N. Zachery.
- No. 5 J. E. Park.
- No. 6 Glen Costley.
- No. 7 George Mason.
- No. 8 Louis Wiek.
- No. 9 W. J. Flesher.
- No. 10 J. C. Dowd.
- No. 11 L. A. Donnell.
- No. 12 Cass Jennings.
- No. 13 Fred Marshall.

## Political Rally Saturday Evening Is Big Success

State, District and County candidates had an opportunity to speak to the voters of this section of the Panhandle at the big political rally held in the open air speaking platform just east of the Methodist church Saturday evening. The rally was sponsored by the Chamber of Commerce of Canyon in conjunction with a pie supper for the purpose of raising money for the Panhandle-Plains Historical Society museum building.

A large crowd heard the speakers and listened attentively as the candidates gave their platforms. Fred E. Wortham, secretary of the Chamber of Commerce, introduced the speakers. At the conclusion of the talks, Tom and Jerry, a comedy team from Radio Station W D A G gave a novelty act.

Twenty-nine pies were sold by Col J. W. McCrerey, auctioneer, many of them bringing \$1.00 each. Lemonade was also sold during the evening. The Chamber of Commerce realized more than \$18.00 from the sale of pies and lemonade. The pies were donated by local women who are interested in the museum.

Help Keep Canyon Clean.

## Rotary Club Starts New Year With Gano as President

Oscar Gano took charge of the affairs of the Canyon Rotary Club Tuesday to serve until July 1, 1933, as president. He succeeds Clyde Warwick, president for the past twelve months.

Past President pins were given to Joe Hill, first president of the Club, Doug Shirley, second president and Clyde Warwick, third president. Floyd Savage made the presentation.

Arch Hunsley of Amarillo and Blake Cogdell of Abilene were visitors Tuesday.

Clyde Warwick spoke of the work of Rotary, both in Canyon and in the general sense, stressing in particular the phase of friendship.

The resignation of Bill Pike was received, as he has sold his business.

## Samuel Morgan Dies Wednesday In Amarillo

Samuel S. Morgan, 22, youngest son of Mr. and Mrs. S. R. Morgan of near Canyon died at 2:30 Wednesday morning in an Amarillo hospital following a major operation.

Funeral services will be conducted at 3 o'clock this afternoon from the First Baptist church of this city. Interment will be in Dreamland Cemetery, with the Griggs-Thompson Funeral Home in charge. Mr. Morgan is survived by his parents, three sisters, Mrs. Julia Foster of Pendle, Arkansas, Mrs. Bessie Bleeson of Bushland, Texas, and Mrs. May Murr of Sunray and two brothers, A. L. and A. R. Morgan of Canyon.

## A. C. Donnell, Deputy Sheriff, Makes Arrest

Deputy Sheriff A. C. Donnell arrested Harvey Smith Monday, July 4th, at the Gist farm in the south part of Randall county. Smith, who was a harvest hand, was wanted at Georgetown, Texas, on six indictments returned by the grand jury at that place, according to word received by Mr. Donnell.

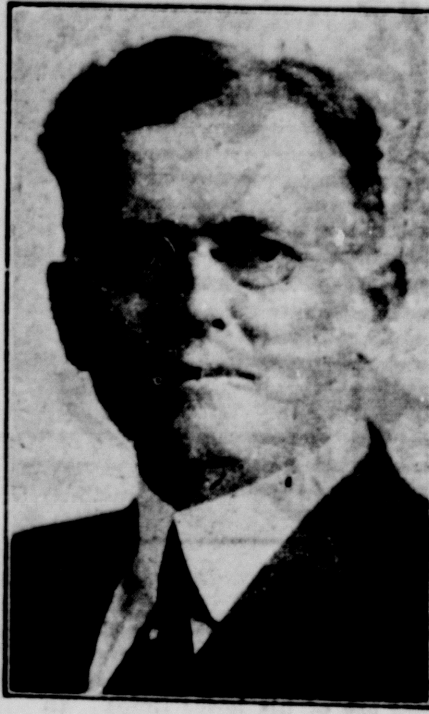

Smith is being held in the city jail awaiting the arrival of officers from Georgetown.

## AGREEMENT REACHED IN DISTRICT COURT CASE

The jury was dismissed yesterday in the special session of the District Court without hearing the case of Clyde McElroy vs. W. B. Campbell, as an agreement had been reached.

Dr. and Mrs. C. A. Pierle were Amarillo visitors Monday.

## Conducts Revival

REV. J. R. PARKER

The open air revival meeting which began Sunday at the Methodist Church with the Rev. J. R. Parker of El Paso as evangelist, is attracting large crowds each evening. Rev. Parker, a man of experience and personality, is bringing gospel messages of importance to the people of Canyon.

Miss Mattie Mae Swisher of this city has charge of the song services and choir. Services are held each morning from 10 to 11 o'clock and the meetings each evening begin promptly at 8:30.

The public is cordially invited to attend these services and to take part in the meeting.

## American Legion Names Officers for Coming Year

American Legion officers for the coming year were named at the last meeting of the Palo Duro Post as follows:

Roscoe Davis, Commander.  
R. E. Harter, 1st Vice Commander.  
Guy Harp, 2nd Vice Commander.  
Hud Prichard, Post Adjutant.  
Allen Farlow, Finance Officer.  
Frank R. Phillips, Chaplain.

## MRS. A. W. STERNBERG IS APPOINTED CHAIRMAN

Mrs. Chanslor Weymouth, women's chairman of the Panhandle Sterling-for-Governor Club, has appointed Mrs. A. W. Sternberg of Canyon as the county chairman for Randall County.

County organizations will be completed this week and the active work of the clubs will be started.

Miss Jennie C. Ritchie, her guests, Judge and Mrs. E. B. Ritchie and Mrs. Menefee of Mineral Wells and Miss Jean Day spent last week end at Carlsbad Cavern and Cloudercroft, N. M.

## Do You Wish to Vote July 23 on Prohibition Repeal

Randall County voters will not cast a ballot on the prohibition referendum unless the voters express a desire to do so during the coming week, stated County Chairman A. M. Smith yesterday.

Separate ballots are being furnished by the state committee, but many counties are refusing to pay the additional cost of the count.

Mr. Smith states that he will be governed by the requests which he receives during the coming week as to whether to send out the ballots to the voting boxes.

If you wish to vote on the question, tell Mr. Smith; if you think the ballot has no place in the Democratic primary, tell Mr. Smith.

## Will Not Speak Here

GOVERNOR R. S. STERLING

Governor R. S. Sterling will not speak in Canyon Saturday morning, as originally planned, but must return to Austin.

He will speak at Amarillo Friday night at 7:30, in order to leave by 9:00 o'clock.

A large number of Canyon people are planning to hear the Governor speak in Amarillo.

## Thompson Home is Burglarized Tuesday Afternoon

The home of C. L. Thompson was burglarized Tuesday afternoon between 3:00 and 5:00 o'clock. The burglar entered through a window.

The thief exchanged an old shirt for one of Mr. Thompson's new ones, took a new wrist watch, and opened one of the boys' banks in which there was 45 cents.

A number of petty burglaries over the city have been reported the past few weeks.

## 3,097 Students In W. T. During The Past Year

Registrar D. A. Shirley has this week submitted to President J. A. Hill a summary of the attendance of the West Texas State Teachers College covering the twelve months ending May 31, 1932. It shows that a total of 3,097 took work during that time.

The total for the regular session beginning September 20, 1931 was 1617 students, 540 of whom were extension and correspondence students.

The total attendance for the summer session 1931 was 1480 students. The freshman class was the largest during the regular session, having in it 333 boys and girls. During the summer session, the junior class was the largest with a total of 391 members, although the sophomore class with 385 was a very close second.

Ed Gerald has been in Amarillo this week serving on the federal jury.

## Famous Contralto Is Well Received Wednesday Eve.

Louise Bernhardt, famous contralto, was well received by local music enthusiasts Wednesday evening in her appearance on the lecture course of the College. It was only because she was passing through Canyon, that the College obtained Miss Bernhardt for an appearance here as the cost of such an attraction would have ordinarily been prohibitive.

The program she gave is as follows:

Group 1:  
Euridice Aria (Che Faro Senza Euridice)—Gluck.

Se Tu Mami—Pergolesi.  
Two Egmont Songs—Beethoven.

Group 2:  
Nuages—Georges.  
Bergette—arr. by Weckerlin.  
Seguidilla from "Carmen"—Bizet.

Group 3:  
Aria from Samson & Delilah "Mon Coeur"—Saint-Saens.

Group 4:  
(English).  
Surely the Time for Making Songs Has Come—Rogers.

Sheep and Lambs—Homer.  
Ferry Me Across the Water—Homer.

Ecstasy—Rummel.  
Pauline Brigham, accompanist.

Miss Loucille Crum spent last week in Amarillo visiting her sister, Miss Ruby Crum, and niece, Mamie Golden.

# Gas Officials Tell City of Troubles

## Political Rally Is Postponed To Monday Night

The big Randall county political rally scheduled for Friday night in the north part of the county has been postponed to Monday night, July 18, because of Governor Sterling's appearance in Amarillo tomorrow evening, according to Fred E. Wortham of Canyon who will act as chairman.

The rally is to be held on a space adjoining the Black Lantern at the southern edge of Amarillo on the Canyon-Amarillo highway and is specially planned for the benefit of the Randall County voters who reside in south Amarillo.

County candidates will be given preference over district and state candidates, however the latter may speak following the county candidates. The speaking will begin at 8:30.

Parking space will be provided and all those interested in the coming elections are urged to attend and hear the platforms of the local candidates.

## LAND SALES

S. B. McClure reports the following land sales:

The J. F. Hudson place near Happy to O. V. Murray of Wichita County.

The F. M. Darnall place to Mrs. W. M. Anderson.

The place of Mrs. W. M. Anderson to J. T. Burnett.

D. Mart Thomas place to C. H. Rowe of Gray County.

Miss Ruby Kendrick Cherry transacted business in Tulsa Tuesday.

## CITY OF CANYON IN FINE CONDITION

The following letter regarding the financial condition of Canyon is of interest to every taxpayer in the city:

Dallas, Texas, July 9, 1932—Mr. Harvey Cash, City Secretary Canyon, Texas.

Dear Mr. Cash:

We appreciate very much your letter of July 2nd with enclosures. Needless to say your letter and the statement confirms the impression we had of the excellent condition of your City. We have sold the four bonds and find that we could easily sell several more if we had them. This is certainly a tribute to the excellent management of your City, as under present conditions it is no easy matter to sell securities at a reasonable price of the ordinary Texas city.

With sincerest good wishes, we are,

Very truly yours,  
THE BROWN-CRUMMER CO.

## Cannot Allow Reduction of Gas Rates at the Present Time

In compliance with the petition of several hundred Canyon people, Mayor C. R. Burrow recently asked the West Texas Gas Company for a reduction in the gas rates for the city. The officials were here Thursday afternoon for a discussion of rates with members of the City Commission. R. P. Hinchey, vice president, J. L. Ryan, city superintendent, and C. E. Crenshaw, attorney, met with the city commission.

Mr. Hinchey called attention to the investigation which was being made by the Railroad Commission of the Lone Star Gas Co. after a court fight had been carried on for months at the cost of over \$100,000 to the city of Fort Worth. The gas business is off from 30 to 35 percent at the present time, which has forced some companies to ask for a higher rate, notably the company serving Abilene. This company is asking for an increase to \$1.18 per thousand.

Mr. Hinchey stated that many companies make a service charge of \$6.00 per year, not made by his company, and that on the average the rates are lower here than in such cities as Fort Worth, Dallas and San Antonio. Some towns have lower rates, but these are the exception.

The West Texas Gas Company is serving 42 towns, with about 85,000 population, which requires 1000 miles of pipe line. It is one of the few companies which has not been called before the Railroad Commission regarding rates, or is in Federal Court.

The company had hoped that during the first four years a sufficient load would be built up, but with the depression the income decreased \$108,000 the first five months of this year. The reduction last year made it impossible to show a profit. Taxes in Randall county last year amounted to \$7,500, or 10 cents per thousand feet on all gas sold.

Mr. Hinchey pointed out the fact that most of the big utilities companies are in the hands of receivers. His company has never paid a dime to the stockholders. The company does not want to get into the courts or into expensive rate controversies which might add to the future rates. The company hopes to get by until conditions improve.

Mr. Crenshaw filed with the city commission a detailed statement of profits and losses since operation was started in 1927. Answering Mayor Burrow as to the proximity to the gas field, as raised by most Canyon people who demanded a reduction, Mr. Crenshaw stated that it would have been impossible to build an adequate line to Canyon alone. The entire system was necessary, if any town was to be served. If the

(Continued on last page)

# Federal Loans To be Made Farmers

## Diversified Farmers and Stockmen Will be Favored

Machinery will soon be in operation for loan relief to stockman and farmers as a result of the recent passage of the Agriculture Credit Corporation appropriation bill, according to W. C. Black, chairman of the Randall County Farm Loan Committee.

Final regulations and instructions for procedure will be released soon by the secretary of agriculture. In the bill the government provides up to three-fourths of the necessary funds to incorporate agricultural credit corporations and livestock loan companies in order to get loans from intermediate credit banks or the Reconstruction Finance Corporation.

Diversified farmers and stock-

men will be favored.

This bill is different from the farm relief bill, in that it is longer time money and collateral must be self-liquidating. It is intended as funds to supply the gap for the stock feeder between aid he can get from the local banks and the big loan companies on his herds, and applies either to purchase of stock if he has the feed, or for feed if he has the stock.

The organizations must be local and locally managed.

Congressman Marvin Jones of Amarillo, as chairman of the agriculture committee, has been actively behind the passage of this bill and now is trying to get an amendment to the farm relief bill to make it apply on a larger scale to wheat farmers and stockmen.

Those interested in obtaining loans may write to W. H. Findley, Amarillo, for further information.

# Saturday Marks End First Summer Term

## Students Have Been Unusually Hard Working and Earned

Saturday will mark the close of the first half of the summer session and a number of students are expected to enroll for the last half of the session which continues until August 26.

In many respects this summer session is proving the most satisfactory the college has experienced in years. The attendance is practically what it was last year, with students showing an unusual degree of earnestness about their work.

College administration have noticed that students have had less money to spend, but they have found ways to spend what they have had so as to receive a maximum of pleasure and profit. For instance, several cars of students

have made interesting trips to Carlsbad and other points of interest, sharing expenses and the work connected with such jaunts. Others are reducing their living expenses by sharing apartments and by securing much of their supplies from home.

The seriousness of the student body this summer is shown by the use of books from the library, a typical day's circulation being 946 books, according to Miss Malone.

A large number of students are withdrawing at the end of this week, many to begin teaching in sections where schools begin the first of August and then have a long recess during the crop gathering season.

Students have had many words of praise for the work offered by the college and for the courtesies extended to them by the town, and practically all those who have withdrawn have stated that they expect to return for further work.

## THE STATE TICKET

Texas Democrats will be confronted on July 23rd with the longest primary ballot in recent years. What to do with that ballot is going to be a problem, and in order that all of the voters may have an opportunity to study the names of the candidates, The News printed in this issue a sample ballot with the names as they appear.

The Governor's race has created little enthusiasm this year. The only real fight is between the Sterling and Ferguson forces. The other candidates will receive a scattered vote, but probably enough to cause a second primary in August. Tom Hunter will receive a good vote in West Texas, and among the independent oil men, M. W. Wolfe will receive a good support from many dry voters, who are dissatisfied with both Ferguson and Sterling. Prediction is that the present Governor and the former Governor will have a hotter fight in the second primary than is now being waged.

Sentiment is divided in the attorney general's race between two West Texans, James Alfred of Wichita and Clem Calhoun of Potter. The oil men are displeased that Alfred has filed the oil suits against the major oil companies, while Berger is displeased that Calhoun is airing the lawlessness of that city during the oil boom as a bark to paddle into office. This campaign is the hottest in the state, with two good campaigners. Becker, the third entry, will probably not get enough votes to cause a run-off.

George Sheppard, the present comptroller is expected to have an easy race against Rex McCabe of Dallas.

School men over the state predict a victory for Charles N. Shaver over L. A. Woods. Shaver was appointed to succeed S. M. Marrs, deceased. Woods announced before the death of Mr. Marrs and has made an intensive campaign. However, both of these men are looked upon as able school men and both have the support of many able educators.

West Texans will support Lee Satterwhite for the six year term of the Railroad Commission. He is opposing able campaigners in the persons of C. V. Terrell, Roy Tennant and Jack Patterson.

West Texas offers another candidate for the Railroad Commission, for the four year term, Col. Ernest O. Thompson of Amarillo. As in the case of Lee Satterwhite, Thompson is ably opposed and has a hard fight on his hands. W. Gregory Hatcher, C. A. DeWare, Ed T. Murphy and Olin Culberson are opposing Thompson.

Judge J. E. Hickman of Eastland seems to be the choice of able lawyers for the Supreme Court. Judge William Pierson is the incumbent and Ocie Speer is also a candidate.

The great jumble comes in the three places for congressman-at-large. For place No. 1, Senator Pink Parrish of Lubbock is a candidate. The South Plains is entitled to a congressman by the right of increased population. Others in this race who have strong support here are W. Erskine Williams of Tarrant and Ernest Cox of Travis, former commander of the Texas American Legion. For place No. 2, Mrs. Phebe K. Warner of Claude will receive the heaviest vote on the Plains, but there is plenty of support of others, including young Joe Bailey and Cyclone Davis. West Texas has two candidates for place No. 3, A. H. King of Throckmorton and J. E. Bogg-Scott of Coleman.

Randall county voters know all of the district and county candidates, and will have no particular difficulty in making their selection. The thing for every voter to do is to carefully study the list of candidates, determine the ones who will make the best officers, and then cast their ballots for the candidates who will best serve all of the people.

The final drive is on for raising the Museum Fund for the Panhandle Plains Historical Society. The Fund is not completed, and the urgent need of completing the \$25,000 is the most important thing now confronting the people of Canyon. Those who have not made a subscription to the fund should do so at once, as the sooner the fund is raised, the speedier will be the progress in getting the building underway. The erection of the building at this time will furnish labor to a large number of men in Canyon who are greatly needing the work.

Governor Sterling has stated that a special session of the legislature will likely be called in August or September in order to pass legislation which will assist in reducing taxes next year. He is working on a program which he hopes will greatly assist the taxpayers, and which would come too late to be handled in the regular session next January. The session in January will still have a large program in the way of carrying out the major recommendations which will be made by the committees which are at work at the present time.

The name of Roosevelt will bring much support to the Democratic ticket from the Republican party. Franklin D. Roosevelt is of the Theodore Roosevelt family, and has many of the characteristics of the famous Teddy, who was the most powerful Republican president in years. The people of the United States would like to see a return of the Big Stick days, with a Roosevelt hold of the business end of the club. Franklin D. Roosevelt will wield the Big Stick just like Teddy did in the olden days.

Geo. W. Armstrong of Fort Worth has decided that he cannot be a Democrat, and is therefore withdrawing as a candidate for Governor and will run as an independent in the General Election in November. His name has already been printed on the ballots, but his withdrawal will probably not make much difference as to the number of votes he would have received in the primary.

Al Smith sulked in his tent for several days and then decided to come out in favor of the Democratic nominees. His support will add much to the ticket in some sections, and will detract from its strength in other sections. However, after having been honored by the Democratic party so much as Al Smith has been, it would have been childish to have refused to support the nominees.

Vote July 23rd. As good citizens, vote for the candidate which you believe to be the best qualified to fill the office to which they aspire. There never was a time when safe, sane, sober and honest officials were needed as they are today. Forget your prejudices, and vote for those officials who will best fill the offices of the county, state and nation.

Campaign lies are usually sprung at the last minute for the purpose of bolstering up a campaign which is known to be on the wane. Don't swallow them. Editor T. A. Landers says that "a joke a day will keep the doctor away." Easy enough; just think of this great Hoover prosperity.

The increased price of hogs is the only bright light in the farmers' life at the present time. Wheat is hardly paying the cost of harvest, and the increased price of fuel will make the planting of the crop this fall mighty hard to finance.

Bad as the yield is, Randall county is having about the best wheat yield of any county on the Plains.

This is certainly fine harvest weather, but unfortunately the wheat is not making much of a crop.

Cut the weeds. Canyon looks

## Next Presidential Election Is Case of "Poor Boy" Versus "Rich Boy"

In next fall's presidential election, a man who was born on a pretentious \$500,000 New York estate, to wealthy parents and a distinguished name, will pit his political strength against that of the son of a poor, obscure Quaker blacksmith of West Branch, Ia.

In their beginnings, Franklin Delano Roosevelt and Herbert Clark Hoover were as wide apart as the poles. But in the qualities which have made it possible for them to compete for the highest office in the nation, they have something in common.

Roosevelt was born Jan. 30, 1858, on the Dutchess County (N. Y.) estate of his father, a vice president of the Delaware & Hudson Railroad. At 16 he graduated from Groton, a fashionable school for boys, and entered Harvard. Here the energy and aggressiveness that later brought him political prestige made itself felt. As editor of the Crimson, he turned that paper from a "snip" to the country's outstanding college publication.

Roosevelt graduated from Harvard at the age of 22. At the same age, Herbert Hoover, an orphan at 6 and a farm worker until he was 14, had already paid his way through Stanford University and had secured an engineering job in Grass Valley, Calif.

In 1905, when he was 23, Roosevelt married his sixth cousin, Anna Eleanor Roosevelt, niece of President Theodore Roosevelt. After a European honeymoon, Franklin entered Columbia University Law School, graduating in 1907. Entering politics, he was elected to the New York State Senate in 1910 and rapidly distinguished himself by a long and successful all-bushter against a Tammany candidate. This, at 28 years of age.

At 28, Hoover, in partnership with his brother, Theodore, had opened offices as a consulting engineer in San Francisco, with a

bad as a result of the heavy growth of weeds following the fine June rains. Cutting the weeds now is going to save a lot of sickness in the city later on.

## Umbarger Items

A dance celebrating the Fourth of July was held in the Umbarger Parish Hall. A large crowd was present.

Last Sunday afternoon the Umbarger baseball team beat the Dawn team 13-1. The Dawn team was held scoreless until the 8th inning when they run in their only score. The batteries were Mejia and Hein, for Umbarger; Shagget and Bagwell for Dawn.

Mr. and Mrs. George Grimm and son of Amarillo visited at the home of Mr. and Mrs. P. Friemel Sunday.

State Representative Clyde W. Warwick of Canyon was in Umbarger Monday.

Miss Mary Groom visited at the home of Mr. and Mrs. Grounds last Friday evening.

A. Mejia and son, Apolonio, were visitors in Amarillo last Sunday.

F. K. Schindler of Schulenburg is in Umbarger on business.

Jim Pyram of Wellington visited at the home of Mr. and Mrs. O. J. Podzemny last week.

Mr. and Mrs. Joe Friemel, Mr.

branch office in London. In the time since he was 22, he had spent over a year in west Australia as a mining engineer for a London firm, had returned to California (1899) and married Miss Lou Henry, a Stanford graduate and, as chief engineer of the Chinese Imperial Bureau of Mines, had taken his bride to the Orient. The couple remained during the Boxer rebellion and on until 1901, when they returned to America.

In 1913, President Wilson appointed Roosevelt, then 30 years old, assistant secretary of the navy, which position he held during the World War, handling most of the navy's huge purchases of supplies. In 1920 he was nominated for vice president under Cox, but went down to defeat in the Harding landslide.

It was in 1921 that he suffered the great blow of his life. Swimming at his summer home near

Campobello, Me., he became chilled and was stricken with infantile paralysis. He gradually recovered partial use of his lower limbs. In 1928, Roosevelt was persuaded by his friend, Alfred E. Smith, to run for governor of New York, and was elected. In 1930 he was re-elected. And now, he has been selected as the Democratic standard bearer.

By the time Herbert Hoover was 30, he was the acknowledged leader of the mining engineering profession, directing engineering work in 12 different countries. In late 1914 he was appointed chairman of Belgium relief work, and his efforts from then until 1920 were drafted by the government for foreign and domestic relief.

In 1921 President Harding appointed him secretary of commerce, in which post he was retained by President Coolidge. In 1928 he was nominated for the presidency.

There will be no evening service on account of the meeting at the Methodist Church.

CHEVROLET

America is  
counting cylinders and

AMERICA PREFERS  
THE SIX

Since January 1st, buyers have chosen more Chevrolet Sixes than the combined total of all fours and all eights priced below \$1000

When buying a low-priced car, do as America is doing: Count cylinders! And you'll say, as America is saying: "SIX! No more. No less!" America counted cylinders and concluded that six is the ideal number for a car of lowest price! No more, because an engine with extra cylinders is bound to cost more for gas, oil and upkeep. No less, because six is the smallest number of cylinders you can have in a car and avoid undesirable effects of inherent vibration.

A six, as Chevrolet builds it, is the happy medium between two extremes. No other motor car engine in America today costs so little for gas, oil and upkeep. And it gives you built-in smoothness from 6 miles an hour to 65 or 70.

Because of this smoothness—plus the fact that the whole car is so solidly, ruggedly built—a Chevrolet Six really stands up. It's a good, reliable, economical car the day you buy it... and it keeps on being good, reliable, economical after 5,000—10,000—15,000 miles of driving.

In addition, Chevrolet is a modern car, with

Free Wheeling, Syncro-Mesh gear-shifting, Fisher bodies—and many other advanced features. Be cylinder-wise! Follow America's lead and make your next low-priced car a six—a Chevrolet Six! Unless you do, you can't expect the smoothness, economy, and lasting satisfaction to which your money rightfully entitles you.

All prices f. o. b. Flint, Mich. Special equipment extra. Low delivered prices and easy G. M. A. C. terms.

SIX CYLINDERS

NO MORE — NO LESS

For GREATEST ECONOMY  
and BUILT-IN SMOOTHNESS

With more than six cylinders you sacrifice economy—With less than six cylinders you sacrifice smoothness.

# President J. A. Hill Returns From East

## CALLS TRIP "NEAREST APPROACH TO VACATION IN WHOLE LIFE"

President J. A. Hill, with Mrs. Hill and daughter, Marion, returned Thursday, July 7, from an extended trip through Texas and east to Atlantic City, N. J. The party covered 5,346 miles in 23 days, stopping at many points of interest enroute.

The tour, a combination of both business and pleasure, was a graduation gift to Marion who graduated from the W. T. training school the first of June. Dr. Hill also reports it as being "the closest approach to a vacation I've ever had in my life." Miss Martha Nell Lang, a member of the party leaving Canyon, remained in Cincinnati, at the home of her family.

Departing Canyon on June 14, Dr. Hill stopped at Hamilton, Tex., for a brief visit with relatives, going from there to Austin where he met with the Board of Control concerning the Biennial Budget for W. T. Upon their return to Dallas, Dr. Hill was in conference with Regent Hayes in regard to the construction of the Museum Building. From Dallas the tourists began the long trek to Atlantic City and the National Education Association meet.

Brief stops were made at Hot Springs and Little Rock, Ark., Memphis, Tenn., and Nashville, Tenn., where both Vanderbilt University and Peabody College for Teachers were inspected in addition to a visit to the Hermitage, old home of Andrew Jackson. In Knoxville, relatives of Miss Lang's were visited. A tour was made of the University of Tennessee and a 125 mile drive through the new National Park in the Smoky Mountains, reported by Dr. Hill as having been one of the high lights of the trip both from the standpoint of scenery and for its social aspects, an intimate and closeup view having been obtained

of the Tennessee mountaineers in their native habitats.

Crossing the Alleghenies into North Carolina, stops were made at Chapel Hill and Durham, respectively, for visits at the University of North Carolina, and Duke University. Thence to Richmond, Va., where numerous historic points and museums were viewed and a short time spent at the reunion of the old Confederates Veterans. At Jamestown much data of historic interest was found. Many legends and sites of the original settlers remain intact including the old fort and fortifications used by Captain John Smith of Pocahontas fame.

Williams and Mary College, the oldest educational institution in America, was visited at Williamsburg. At Yorktown the party stood upon the spot where Cornwallis, the British General, surrendered to General Washington.

At Charlottesville the Hills spent the night in a beautiful old Colonial type home. Here within a radius of five miles they found old plantations of five famous Americans: Wm. Clark, the Oregon explorer; his father, James Monroe, president and statesman; Patrick Henry, orator and statesman; and Monticello, the home of Thomas Jefferson. While there Dr. Hill stood upon the spot where Patrick Henry made his famous speech, "Give me liberty—or give me death!"

Dr. Hill, an intense admirer of Jefferson, found Monticello and the Jefferson lore of more than passing interest. He made a thorough inspection of both and relates fascinatingly of the details and features connected with both Monticello and the University of Virginia for which Jefferson was not only founder but architect. At the University, the party visited

the room occupied by Edgar Allan Poe while a student there, using an old goose quill pen, once used by that celebrity, for autographing purposes. The room of Woodrow Wilson was also inspected.

Among 3,000 visitors to Mount Vernon on the same day, the Hills found George Washington's old home a veritable wealth of historical and human interest. The burial spots of both George Washington and Martha Washington were to be seen. Their furniture and household is preserved today much as it was in time of usage through the efforts of the U. S. government and the D. A. R. At Alexandria the party made the trip through the immense Masonic Temple, a seven million dollar structure.

Arriving at Washington, D. C., several days were spent in sight seeing. Of especial interest was

the Library of Congress, one of the most beautiful buildings in the world; the trip through the East Wing of the White House; the Smithsonian Institute; the Pan-American Building; and the Art Institute. The opportunity to witness Congress in action was also taken advantage of. At Arlington Cemetery, the old home of Robt. E. Lee, Mrs. Hill, a direct descendant of Jefferson Davis, found cause for considerable resentment in the desecration of the South's great hero, Lee, through the placement of the tomb of General Sheridan. The memorial to the Unknown Soldier and monuments to the nation's famous were viewed.

The Episcopal Cathedral, construction of which began in 1907 with plans for completion by 1947 and in which marble taken from the quarry furnishing material for the tomb of King Solomon in the Far East is being used, held the party in rapt attention. The tombs of Woodrow Wilson and the hero of the War of 1898, Admiral Dewey, are located there. The Cathedral is estimated at being two-thirds completed.

The N. E. A. convention at Atlantic City, with 8,000 in attendance, proved of particular practical value to President Hill. He obtained many ideas from the meet which he hopes to institute in the Texas State Teachers program during the coming year. The attendance was small in comparison with former years, said Dr. Hill, being curtailed by economic conditions over the country. Four days were spent there, Atlantic City's famous surf demanding its share of attention.

The return trip was made hurriedly with brief stops being made at New York City, Valley Forge, and Gettysburg. At St. Louis the Lindbergh trophies were viewed. Brief visits were made at Cincinnati, O., and Joplin, Mo., with friends and relatives.

### HAS A BIG MEANING

I am a little thing with a big meaning. I help everybody. I unlock doors, open hearts, dispel prejudice. I create friendship and good will. I inspire respect and admiration. Everybody loves me. I bore nobody. I violate no law. I cost nothing. Many have praised me, none have condemned me. I am pleasing to those of high and low degree. I am useful every moment of the day—I am Courtesy.

### HOT STUFF

"Doctah," asked a lady of color, "Ah's come to see if yo' am goin' to order Rastus one o' dem mustard plasters ag'in today?"

"I think perhaps he had better have one more," answered the medico.

"Well, he says to ax yo, kin he have a slice o' ham wid it, 'count of it's a mighty pow'ful prescription to take alone."

One of the worst features of the bank failures over the country is that it gave a lot of fellows a new alibi for not paying their debts.

Nothing is so bad but it can be worse and if you don't believe it just listen to a few radio programs.

## Ross D. Rogers Elected Mayor By 479 Majority

In the most spirited city election ever held in Amarillo, Ross D. Rogers was elected mayor, Tuesday, over Lon D. Marrs, by a majority of 479 votes. A total of 6,635 votes were cast. Of these Rogers received 3,557 and Marrs 3,078.

Mr. Rogers is elected to fill the unexpired term of Col. Thompson. In the election a month ago less than five thousand votes were polled and this turnout of voters for a run-off election is remarkable.

The vote by boxes was:

	Rogers	Marrs
Courthouse	178	240
City Hall	275	335
North Amarillo	281	472
East Amarillo	100	320
Wilson School	289	337
Sixteenth Avenue	854	428
Woolfin School	684	298
San Jacinto	896	648
Total	3,557	3,078

Both Mr. Rogers and Mr. Marrs

are high type campaigners and following the counting of the ballots, expressed themselves as follows:

Mr. Marrs: "I wish to thank my friends for their loyalty and I extend good wishes to all."

Mr. Rogers: "I am, of course, deeply grateful for the expression of the people of Amarillo, in electing me their mayor. My sincere hope is that during my tenure of office I shall be at all times worthy of the faith and confidence expressed in the ballot."

**DOES YOUR TELEPHONE do this for you ?**

WHEN you must get things done quickly, with least effort... make an appointment... place an order... find a job... meet an emergency... use your telephone! In countless ways your telephone saves you time and money. Brings convenience... pleasure... protection. Use it!

Mrs. Harvey saves an hour

Mrs. Harvey is going shopping. But first she telephones three stores, finds where to get the brands, styles, colors, she wants... saves an hour of needless steps and worry.

Mrs. Miller solves a problem

What a situation! Preserves ready to put up, and not a can rubber in the house. Mrs. Miller telephones the grocer... and the boy brings them in a few minutes.

Jim Sanders gets a job

Jim Sanders has been looking for a job. When they said "We'll let you know" he left his telephone number. And here's a call for Jim: "We're putting on some more men. Be on hand first thing in the morning."

Mrs. Hamlin meets an emergency

Father calls by long distance: "Dorothy, mother is not well. Can't you come home for a few days?"

Mrs. Hamlin telephones the station... barely time to catch the train. Calls Harry at the office. Telephones the laundress. Cancels an engagement. Is ready to leave in 30 minutes.

If you haven't a telephone, we suggest you order one today. Within a week you'll wonder how you managed without it... you'll realize how many needless steps you've been taking... how much worry and inconvenience a telephone saves.

Just call the Business Office.

SOUTHWESTERN BELL TELEPHONE COMPANY

## JERSEY IS HIGH COW ON HONOR ROLL

PRODUCES 1,887 LBS. MILK  
DURING MONTH.

Total of 94 Cows in Association  
Make High Records  
in June.

Brindle, a grade Jersey owned by H. R. Fulton stepped out during the month of June to carry off the honors of the Randall County Herd Improvement Association in milk and butterfat production. This cow produced 1,887 pounds of milk and 100 pounds of butterfat during the past month.

This is an unusually high record and far surpasses the requirements of the honor roll which is 1,000 pounds of milk or 40 pounds of butterfat per month.

Second honors for high milk production went to a cow from the C. C. Stewart farms, G. K. Sybil's Spot, who produced 1,740 pounds of milk during June. A Tierra Blanca cow, F. Roseboy, was second high in butterfat production with a record of 80.5 pounds for the month.

There were 94 cows from the rolls of the Herd Improvement Association who produced the required amount of milk or butterfat during the month and whose names and records were placed on the honor roll. The Tierra Blanca farms placed the greatest number on the honor roll with a total of 30 cows making the required record.

## LOCAL NEWS

Miss Kathryn Tanner of Terrill is visiting in the home of her sister, Mrs. Lige Frieze, here this week.

Mrs. F. G. Collier of Spur returned to her home last week after visiting in the home of Mr. and Mrs. J. R. Moses of Canyon.

Mrs. Marion Bishir and daughter, Peggy, are visiting Mr. and Mrs. A. D. Cummings of Floydada this week.

Mr. and Mrs. N. E. McIntire had as their guests Sunday, Mr. and Mrs. Earl Bennett of Amarillo, and D. R. Gass and Miss Mable Gass of Hereford.

Miss Modelle Wilkins left Sunday for a two weeks visit with her parents at Portales.

W. H. Upchurch, daughter, Louise, and son, Louis, are leaving this week-end for a short vacation trip into the mountains of New Mexico.

Mr. and Mrs. N. E. Gass of Hereford visited in the home of her mother, Mrs. O. E. Hensley, Sunday.

Mr. and Mrs. C. E. Brown and daughter, and Mr. and Mrs. John C. Hicks visited Mr. and Mrs. J. E. Roberson of near Hereford Sunday. Mr. and Mrs. Chas. Lofton of Los Angeles visited Friday with old friends. Charlie has been engaged in school work since moving to California several years ago with his parents. They were on their way east to spend the summer.

Mr. and Mrs. L. E. Cowling of Wichita Falls spent several days here this week visiting with old friends and looking after business. They formerly lived here, and have property east of the city.

Mrs. Lee Bivins and Mrs. J. B. Winkelman of Amarillo attended the political rally here Saturday night.

Mr. and Mrs. James Cole and Mr. and Mrs. Levi Cole visited Sunday in the parental S. C. Cole home in Lockney. They were accompanied by Miss Erminda Thomas who visited with her parents, Mr. and Mrs. Lucian Thomas.

Miss Ruth McGowan of Vega visited last week with Mr. and Mrs. Warren and with Miss Lola Pinson. When she returned home Monday Miss Pinson returned with her for a short visit.

Mrs. Earl Robbins spent Friday of last week and the first of this week in Hereford assisting in the work of the West Texas Gas Company office there.

Miss Lanelle Cullender of Fort Worth was a guest of Mr. and Mrs. J. W. McDaniels Sunday.

Mr. and Mrs. Ira C. Jenkins of Houston arrived last week for a visit in the parental J. W. Shanklin and I. C. Jenkins homes. They were joined at Belton by Mrs. M. E. Shanklin, who is visiting her son, J. W., here.

Miss Esther Mayfield of Los Angeles, Calif., is visiting Mrs. Berl Mayfield of this city.

Mr. and Mrs. W. A. Warren and sons, Barnard and Meredith, Mrs. Annie V. McCarty and Miss Minnie McCarty visited in the homes of Mr. and Mrs. Houston McCarty and Mr. and Mrs. Bryan Cammack at Nara Visa, N. M., Sunday. Mrs. McCarty, Bernard and Meredith remained for a week's visit.

## Economy Efficiency Experience

## CLYDE W. WARWICK

CANDIDATE FOR RE-ELECTION

## State Representative

123rd DISTRICT, COMPOSED OF POTTER, ARMSTRONG,  
CARSON, OLDHAM, DEAF SMITH, RANDALL COUNTIES

Your Support and Vote Will Be Appreciated

READ THE ANNOUNCEMENT AS MADE JUNE 5, 1932, OF  
CLDYE W. WARWICK'S RECORD IN THE HOUSE OF  
REPRESENTATIVES

"I appreciate very much the honor that has been given me in being State Representative in the legislature the past four years, since I succeeded Hon. Lee Satterwhite of Potter County. In offering for re-election I do so with the feeling that the greatest crisis of many years now faces the State of Texas, and that men of experience are needed in the legislature. If the legislature of Texas has made serious mistakes in the past, it may be charged largely to the fact that too many new and inexperienced members are sent to the law-making body every two years. It is a well known fact that in legislative bodies, experience is very badly needed to improve the class of legislation, and secure for the state the best kind of laws. Right now the great need of Texas is not the passage of more laws, but the strengthening of existing laws which are good, and the repeal of laws which are ineffective.

### Question of Economy

"At the present time one question is more serious with every citizen than any other—the question of economy. Every citizen is

facing the problem in his own life. The state government is likewise facing the question of economy, and this question is of paramount importance in the selection of the members of the legislature. The cost of government must be reduced. I am pleased to report to the voters of this district that the last session of the legislature, the 42nd, made progress in the lines of economy, and at the present time committees are at work with the view of greatly reducing the taxes and expenditures of Texas. If a sufficient number of old members are returned to the legislature in January, members who have a definite knowledge of the workings of the state government and who understand where economies may be practiced, there will result a consolidation of departments, elimination of several, and a great reduction in state expenditures without in the least impairing the usefulness of any department of the state. The past legislature started a fine program of retrenchment, but the real work must be accomplished in the coming session.

"Among the economies which were passed in the last session were the amendments to the state

constitution which will consolidate the offices of tax assessor and tax collector; and the amendment to exempt homesteads to the value of \$3,000 from state taxes. These two amendments will be voted upon in November. Four committees are at work with a view of lowering taxes; first, the fees committee—the results of its labors so far are that six sheriffs have been sentenced to the penitentiary for defrauding the state, two clerks have committed suicide rather than face prosecution, and the state has been saved at least \$75,000 per month in fees; second, the economy and efficiency committee, which is making an intelligent survey of the state's departments through a firm of experts who made a survey of the state of New York and other states, and are saving these states many millions of dollars through consolidation of departments; third, the committee to consolidate the court districts with a view of abolishing about twenty district courts; fourth, a tax survey committee, seeking to make more effective and equitable the tax system of Texas. As a result of the Budget Law passed by the last session, expenditures of local governments are being greatly reduced in the cities, school districts and counties of Texas.

### Saved State Money

"Personally, I am glad to report the economies for which I am directly responsible during the 42nd session of the legislature. I was appointed chairman of the Committee on Contingent Expenses by Speaker Fred H. Minor, who sought a business man of experience and someone who knew how to practice economy for himself. As chairman of this committee, it was my duty to pass upon every item of expense of the House, amounting to practically \$100,000. I am pleased to report that I inaugurated economies which had never before been practiced with a result that the incidental expenses of the House were cut to nearly half the expenditures of either the 40th or 41st legislatures. I was highly complimented by the membership for the efficiency of handling the business of the House and for effecting the great savings to the taxpayers. Should I be returned to the legislature next session, I am confident that I will be able to increase the savings still more, as I have in mind a complete re-organization of this department which will decrease the staff of clerks, as well as reduce the expenditures for incidentals.

"I served as a member of the Appropriations Committee in the last session. It is only on this committee that a member gets a real insight into the state's business. With the knowledge that I gained while studying the state government for six months last year, I believe that I am in a position to make intelligent recommendations and fight for reductions in appropriations in the coming session which will mean much to the taxpayers of the state. It is very easy to create jobs and new departments, but impossible to abolish or consolidate them unless your legislator is armed with facts as to the importance of these positions.

### Committee Appointments

"During the past two sessions I have been very fortunate in receiving committee appointments which gave me an opportunity to study the needs of Texas. In addition to being chairman of the Contingent Expense committee and member of the Appropriations committee, I have served on the following committees: Penitentiary; Banks and Banking; Municipal and Private Corporations; Oil, Gas and Mining; Public Printing. Working on these committees, I have met many of the real leaders of Texas who are giving thought to the present day complex and perplexing problems, and who are anxious to help Texas in every way, to drive safely through the present storm of adversity. Business men are needed today in legislative halls more than they ever were before.

"Many people have gained the impression that the office of Representative is a money making proposition. Far from that. Your legislator hardly breaks even on his pay if he is honest and working for the good of the state. Honesty and responsibility are more than ever needed in government during these trying times. If I am returned to the legislature, I propose that the legislators take a reduction in salary, the same as everyone else is doing. Furthermore, I believe that the membership of the House should be reduced from 150 to not more than 93, three from each Senatorial district. This would save the state not less than \$100,000 for every regular session of the legislature and would improve the efficiency of the House. During the past

## Clyde W. Warwick

Candidate for Re-Election  
STATE REPRESENTATIVE

123rd District, composed of Potter, Carson, Oldham, Armstrong, Deaf Smith and Randall Counties.

Will speak over WDAG, Amarillo:  
Tuesday, July 19, 8:30 a. m.  
Wednesday, July 20, 12:40 p. m.  
Thursday, July 21, 8:15 p. m.  
Friday, July 22, 8:00 p. m.

You are invited to hear your State Representative discuss fairly and frankly the issues in this campaign. Economy, Efficiency, Honesty and Experience are needed in public office. The next session of the Legislature will be the most important in many years; therefore elect a man qualified for the office.

two sessions of the legislature it has been my pleasure to handle in the House all of the bills which have affected this district. Practically every measure has become law.

### Interested in Education

"I am interested very greatly in the cause of education in Texas. While I live in a college town, and have great personal interest in the West Texas State Teachers College, yet I know full well that no institution may be favored at the expense of any other. The system in Texas as a whole, from the common schools in the country to the great University of Texas, must stand together as a whole, and upon the merits of the services being rendered to the children of the state. The creation of the State Board of Education two years ago was a step toward improvement in the entire system as a whole. Weaknesses in the system will be more easily detected and strengthened, and duplication and rivalry eliminated.

"The responsibility for the defeat of re-districting in Texas rests upon the shoulders of a few senators, and not upon the entire membership of the legislature. The House passed re-districting bills which were acceptable to West Texas, and were valiantly fought for by West Texas senators.

"The State of Texas is in a deplorable financial condition, due to the depression of business in every line, and to the depreciation in farm and stock values. I am opposed to laying additional tax burdens on the people of the state, or singling out industries for the sake of special levies of taxation. Texas needs industries at this time and they should not be discouraged from locating in the state. With the vast field of natural gas in the Panhandle, efforts should be made to induce industries to locate here, but this cannot be done if the state imposes undue penalties upon them.

"The people of Texas have once turned down a constitutional amendment to abolish the fee system. However, if it is submitted again by the next session of the legislature, I feel sure that it will be adopted, in view of the interest being taken in the matter of taxation by the taxpayers of the state. I most heartily approve the making of an intelligent study of tax expenditures, both local and state wide, and regret that the people were too busy during boom times to take the same interest that they are now taking.

### Personal Record

"I came to the Panhandle 22 years ago this summer. What little worldly goods I possess is due to hard work and saving habits. While I have engaged primarily in the newspaper business, other interests in farming, merchandising and banking have given me a clear understanding in the problems which today confront our people. I have been schooled in the college of hard knocks and long hours of labor. I owe a debt of gratitude to the people of this district for their kindnesses in the past, and if I can be of service to them as their State Representative, I shall feel amply repaid for the time and expense incurred.

"I am offering my record as your Representative in the past two sessions as an index as to what you may expect should I be returned to Austin. I believe that there is a vast amount of important work ahead for the legislature next January, and if I am elected your Representative again I shall do my best to represent the people of this district, intelligently, honestly and faithfully."

### County Makes Progressive Step In Securing Demonstration Agent

Randall County made a definite step toward progress with the establishment of the office of Home Demonstration Agent, July 1 and the rural women of the county are indeed fortunate in securing Miss Sadie Bass to fill that office. Miss Bass, while she has been in the county but a scant two weeks, has already officiated at the organization of a number of clubs and has almost 100 women enrolled in these community organizations.

In making plans for the home demonstration work in Randall County, Miss Bass aims to have a demonstration club within the reach of every rural woman and girl in the county. The clubs will meet twice each month. The demonstration agent will meet with each club once each month to give a demonstration of some phase of the work.

The program for the summer and fall will center around a Live-At-Home Program which will include canning fruits, vegetables and meats, making cheese, jellies, pickles, etc. It is the purpose of the home demonstration department to have in every rural home a well organized pantry, intelligently filled to assist the housewife in saving money by conserving foods for non-productive months and in saving time by providing a variety of nourishing foods which may be prepared quickly, at the same time improving health by providing the food necessary to nourish the body.

A detailed program will be worked out as soon as the clubs are organized over a large portion of the country. A year book will be planned, printed and placed in the hands of each club member. This will enable the women to make future plans and to derive the greatest good from the demonstrations.

Miss Minnie Mae Grubbs, of

College Station, district home demonstration agent, conferred with Miss Bass Saturday and Monday and aided her in planning her work for the coming months. The office which is being constructed for Miss Bass on the first floor of the courthouse will soon be ready for occupancy.

#### BLUEBONNETS DISCUSS

##### ART OF CANNING THURSDAY

A discussion of the various phases of canning was taken up at the meeting of the Bluebonnet club at the home of Mrs. Finis Smith, 1106 Seventh Avenue, Thursday afternoon. Tentative plans were also made for a picnic to be given by the club at an early date.

Mrs. Alex Love joined the club and was cordially welcomed by the members. At the refreshment hour a sandwich course was served by the hostess assisted by her daughter, Mozelle. Summer flowers were lovely decorations in the entertaining rooms.

Those present were: Mrs. W. E. Miller, Mrs. Susan Key, Mrs. G. W. Seay, Mrs. W. H. Upchurch, Mrs. T. W. Ziegler, Mrs. N. T. Dickerson, Mrs. George Small, Mrs. Levi Cole, and Mrs. S. A. Upchurch of Clinton, Okla.

#### WORTHWHILE CLUB MEETS WITH MRS. CAMPBELL

Members of the Worthwhile Club met with Mrs. C. E. Campbell Thursday afternoon and enjoyed a very interesting meeting.

Each member gave a short discussion of a current interest topic she had found in reading. Following the program several present gave their recipes for making ice cream.

Refreshments were served to the following: Mrs. Leroy Landers, Mrs. Julia Samuelson, Mrs. Jesse Caldwell, Mrs. F. A. Thomas, Mrs. W. L. Johnson, and Mrs. W. T. Davis.

The next meeting of the club will be with Mrs. Thomas, Thursday afternoon, July 21st.

#### OFFICERS ARE INITIATED IN LODGE TUESDAY EVE

Mrs. Myrtle Stratton and Mrs. Margaret Cole, newly elected Noble Grand and Vice Grand, respectively, of the Canyon Rebekah Lodge took their chairs Tuesday evening and began the work of their offices.

Business was transacted and the following appointive officers were initiated:

Mrs. Mary B. Weeks, Chaplain.  
Mrs. Winnie Louder, Warden.  
Mrs. Pinkie McBride, Conductor.  
Mrs. Lucy Brown, Musician.  
S. P. Bengel, Outside Guardian.  
Mrs. Minnie Hendrix, Left Supporter to Noble Grand.  
Mrs. Mildred Sullivan, Right Supporter to Vice Grand.

Mrs. Lucy Brown, lodge deputy, assisted by Miss Mae Warren and Miss Columbia Redearn conducted the services.

Five members of the lodge received certificates on perfection of the written work of the organization. These were: Mrs. Myrtle Stratton, Mrs. Pinkie McBride, Mrs. Bertie Strain, Mrs. Marie Hair, and Mrs. Winnie Louder.

The lodge will meet promptly at 8:15 next Tuesday evening and all members are requested to be present so the remainder of the officers may be installed.

#### ATTRACTIVE PARTY AT KLEINSCHMIDT HOME

Attractive in every detail was the party given Friday afternoon when Mrs. J. W. Kleinschmidt entertained the members of the Friday afternoon club at her home, 2010 Sixth Avenue.

Bowls of larkspur and roses offered suggestions of summer in the rooms where four tables were placed for bridge. Following the play a refreshment course of ice cream, angel food cake and punch was served by the hostess.

Seated were: Mrs. Travis Shaw, Mrs. Guy Harp, Mrs. Irby Caruth, Mrs. Bill Black, Mrs. Ray Campbell, Mrs. Tom Knighton, Mrs. Dan Sanders, Mrs. R. A. Neblett, Mrs. C. R. Burrow, Mrs. John S. Humphreys, Mrs. T. M. Moore, Mrs. D. A. Shirley, Mrs. J. J. Walker, Mrs. S. L. Ingham, Mrs. Joe Gamble, and Mrs. Thomas A. Shriver of Nashville, Tenn.

#### TIERRA BLANCA LADIES ORGANIZE A HOME DEMONSTRATION CLUB

Miss Sadie Kate Bass, Randall County's new home demonstration agent, met with the ladies of the Tierra Blanca and Ralph Communities Wednesday afternoon, July 6, at the home of Mrs. S. S. Williams, for the purpose of effecting the organization of a home demonstration club.

While attendance was limited because of the harvest season, interest was not lacking and the seventeen members entered with enthusiasm into the work of the club.

Miss Bass gave a demonstration on the grading and canning of green beans. She also gave instruction on the new automatic sealer which permits the use of cans a second and third time. Miss Bass had on display several jars of prize winning vegetables which gave the club members a visual lesson on the art of packing containers to make them appeal to the eye as well as the palate.

The following officers were chosen to serve for a term of one year: Mrs. S. S. Williams—President.

Mrs. L. L. Byars—Vice President.

Mrs. Henry Prichard—Secretary-treasurer.

Mrs. J. W. Millermon—Parliamentarian.

Mrs. Glenn Dowlen—Reporter.

A name has not yet been chosen for the club. The second and fourth Thursdays of each month were selected as meeting days, and 3 o'clock in the afternoon as the meeting hour. The club will meet with Mrs. Byars Thursday afternoon, July 28. All members and prospective members are cordially invited to attend.

#### LEGION AUXILIARY TO MEET MONDAY

The American Legion Auxiliary will meet Monday afternoon, July 18th at 3 o'clock in the Federated club room. All members are requested to be present at this meeting.

Help Keep Canyon Clean!

### No Wonder He Was Nominated

There were a lot of men who weren't surprised at the selection of John Nance Garner, above, as Democratic nominee for the vice presidency of the United States. For a fellow who can dictate to his wife, they believe, must have qualities that entitle him to the office. It might be explained, however, that Mrs. Garner, besides being an excellent housewife, is likewise her husband's secretary.

#### UNION DISCUSSES

##### RIGHT USE OF LEISURE

"The Right Use of Leisure Time" was the topic under discussion at the meeting of the Baptist Adult Union Sunday evening. The meeting was opened by singing, "Take Time To Be Holy" and the following scripture readings were given: Gen. 2:1-3; Mark 6:30-31; Matt. 11:28-30; Luke 5:27-29; John 10:10.

Bible drill was led by W. H. Hardin. The following topics were discussed:

"Home Making Requires Leisure," W. H. Hardin.

"Health Breaks Down Without Leisure," J. H. Wright.

"Character is Conditioned by Right Use of Leisure," R. W. Ratcliff.

Those interested are cordially invited to attend the meetings of the union each Sunday evening at the Baptist church.

#### BRIDGE-DANCE GIVEN FOR FORMER W. T. STUDENTS

Mr. and Mrs. Ira C. Jenkins of Houston, who are spending their vacation here in the home of Mr. and Mrs. J. W. Shanklin, were entertained Wednesday evening, July 6, by Miss Evelyn Shanklin and Harold Shanklin with a bridge dance.

The Shanklin home on Fourth Avenue was beautifully decorated with Mexican blankets and flowers. Dishes of candy and peanuts were placed on the bridge tables.

Refreshments of punch and cookies were served to Mr. and Mrs. Robert Nebel, Dr. and Mrs. Allen, and Frank Stafford of Canyon, Misses Rosemary Booth, Annabel Allen, Joan Down and John Hichcock of Amarillo; and the guests of honor, Mr. and Mrs. Ira C. Jenkins.

Mrs. Jenkins is the former Miss Louise Shanklin of Canyon and a graduate of W. T. while Mr. Jenkins attended W. T. later receiving his degree from Texas University.

#### PARK COMMUNITY ORGANIZES CLUB

Ladies of the Park Community, south of Amarillo met Thursday afternoon with Miss Sadie Kate

Instead of bothering with trick guarantees, phony inducements and special deals, smart car owners ask themselves:

Why buy any  
SECOND-CHOICE Tire when  
FIRST-CHOICE costs no more?

Right now you car-owners are "sitting pretty" . . . You can buy more safe, comfortable, trouble-free mileage for a dollar than in any previous summer . . . You don't have to put up with second-choice tires for reasons of economy, because first-choice tires cost you no more! . . . Goodyear Tires—the kind we sell—are first-choice here, throughout the state, throughout the nation, by more than 2 to 1! . . . They outsell all others not because of any trick guarantees, or phony inducements, or special deals, but simply because they give people the biggest money's worth, and people know it! . . . Don't be argued out of the benefits to be had from the leading tires and our service.

## Bennett Points to Record Made as a Co. Commissioner

W. E. BENNETT

Candidate for Re-election, County Commissioner, Precinct No. 4. To the people of Randall County and more especially the voters of the Commissioners precinct, No. 4:

On account of the extremely busy season, wheat harvest and other very pressing work, I am afraid I will not be able to see all the voters personally, and I am taking this means of saying a few words to my friends and neighbors in regard to my race for re-election.

For any one who has held an office for several years, it would be absurd to ask for re-election on any other grounds than one's record in office. I am making this race simply on service performed. I would respectfully call the attention of the voters to the great progress our county and precinct have made in public roads in the past few years. All parts of the county are easily accessible on good graded and well drained roads.

Also that our county is in excellent condition financially. Our last auditor stated in the Amarillo News-Globe: "Randall County is in the best shape financially of any county I have investigated." As ample proof of the foregoing statement, our county is on a cash basis and the first part of this month our cash balance in our available funds was in excess of \$15,000 more than the same time last year. Randall County's budget is balanced, and the Commissioners' Court balanced it by cutting expenditures to the amount of taxes collected, which in my estimation is the proper way to balance county budgets.

No time warrants of any kind have been issued by the county within the last two years and all outstanding obligations of the county have been paid promptly. County sinking funds, which naturally draw a low rate of interest in the county depository, have been invested in high interest bearing bonds and warrants, which is a mighty good way to help the taxpayers.

The business of the county is transacted in a very amicable way, the County Judge not having voted off a tie vote in the past ten years—a fact of which we are justly proud. Sometime this autumn Randall County will have paved highways three ways from Can-

yon to the county lines, without the expenditure of any money except the original bond issue of 1926.

I am mentioning a few of the various activities and things done by the Commissioners' Court as evidence that the county's affairs have been handled in a safe and sane way, and I am glad that I can claim a very humble part in any of the county's business since I was first put in the office of Commissioners' Court, so why change?

W. E. BENNETT.

## Sunny Hill News

Harvest has been under way for some time. With the exception of a few who farm on a big scale, harvest will soon be over.

Sunny Hill Home Demonstration Club met Friday afternoon at the home of Mrs. Otto Lehnick with twenty-eight ladies present. Under the capable direction of Miss Sadie Kate Bass, our club was re-organized with the following officers chosen: President, Mrs. G. W. Lash; vice president, Mrs. R. B. Gist; secretary and treasurer, Mrs. Clarence Stallings; parliamentarian, Mrs. J. T. Sykes. A very interesting demonstration of canning beans was given by Miss Bass to the following members: Mesdames Amos Ratjen, Clarence Stallings, Henry Ratjen, Clark Neff, R. B. Gist, Lee Jennings, Robinson, Pinkard, Hollabaugh, Lash, J. H. Holly, Raymond Holly, W. W. Kuehn, J. T. Sykes, Charlie Stallings, Wheeler Knox, A. E. Wise, Emil Schaeffer, Melvin Miller, G. B. Russell. Visitors present were: Mrs. E. J. Bauer, Mrs. I. L. Bauer, Mrs. L. F. Spiser, Mrs. Kirvin Irvin, Mrs. Omar Shipp of Wichita Falls, and Mrs. Robinson's mother.

Mr. and Mrs. Rex Roby spent the week end at the Sunny Hill teaching.

## Fairview Breezes

Jim Carr and children of Canyon visited in the J. W. Wesley home.

Mrs. Max Barnard and daughter visited in the parental Chas. Sutton home Monday.

Mr. and Mrs. J. S. Cummings and children of Floydada were visiting friends in this community Saturday evening. Mrs. Cummings was formerly Mrs. Floyd Pinson, who taught school here during the last term.

Mr. and Mrs. Chas. Sutton were business callers in Canyon Wednesday.

Mrs. Billie Washburn and sons spent Wednesday with Mrs. Belle Washburn.

Opal and Martha Sutton spent Sunday with Othell Wesley.

## Wilson Items

C. H. Wolf and son of Davidson, Okla., are here harvesting wheat on his farm.

Mrs. George Frank visited Mrs. L. Brandt Sunday.

Mrs. L. Brandt was a caller at Mrs. O. Podzemny's Thursday.

Mr. and Mrs. Buck Campbell and

## Now's the Time to Look Well-Knit

LOOSELY BUT COMPACTLY WOVEN FROCKS AND SUITS, IN SHADES WHICH SET OFF YOUR COLORING, ARE VERY PRACTICAL

Popular for summer sports is the brief jacquette, lined with darker wool, and accompanied by a beret in a diamond design, shown at left. The three-piece knitted suit, with short, loose-cloved jacket, short skirt and loosely-woven sweater, as shown in center, is snappy in appearance. Cool, yet charming, is the V-necked sweater with diamond design, at right, which is ornamented by dark stitching around the neck and down the front.

BY HARRIET

YOU may be sure that your summer wardrobe has taken the right stitches if you have a knitted frock or two, or a skirt and sweater among your costumes. For cool days, when the wind blows a little too fast and a little too long, they will keep you warm, if they are knitted in a light, fluffy, yet compact manner. When the sun is warm and the breeze doesn't blow, loosely-woven stitches will prove that wool is as cool as anything.

Knitted frocks and suits come in all colors. If you want to be delightfully cool and feminine choose pink or blue or white. With the clear sun-tan skins that are giving faces a radiant gypsy health, these colors are splendid.

They will show off your face, which is the thing that they should do.

ONE three-piece suit, knitted in the colors you choose, includes a skirt which is just brief enough to get into the sports catalog. A jacket that has loose elbow sleeves and comes to the waist, no farther, matches the skirt. Three rows of special white stitching band the sleeves, and run all along the edge of the jacket. The jacket hangs open, revealing another loosely-woven sweater which features a small collar, a bow that perks audaciously, and a tight-fitting belt with rather exciting bands of special design.

A sweater which has a V-neckline and a wide tight-fitting band

just below the normal waistline, uses a diamond design in a large, loosely-woven pattern. Brief sleeves help to increase its appearance of summer coolness. Dark stitching around the neck and down the front and a small buckle ornament it.

If you are enthusiastic about sports and prefer to participate instead of dressing up and sitting in the spectators' row, there is a knitted beret that follows a diamond design and a brief jacquette which are among the novelties that are appearing where summer sports are popular. The entire border and the loose sleeves of the jacquette are banded with darker wool. Eight buttons, four on each side, of the front, fasten the sweater.

children of Amarillo and Mr. and Mrs. J. L. Brandt and family were visitors with L. Stewart, Sunday.

Mr. and Mrs. W. H. Neal spent Sunday with Mr. and Mrs. Bus Henson at Hereford.

Mrs. J. Tuck and daughter, Mrs. C. Beckman, spent Friday in Amarillo.

J. L. Brandt was a caller in the N. Hollenstein home Friday. Born to Mr. and Mrs. Bus Henson.

## VOTE FOR---

## R. N. (Bob) BARNETT

R. N. (Bob) Barnett has resided in the Panhandle for the past 15 years and has been an actual bona fide citizen of Randall County for the past four years and served the County as Deputy Sheriff and Tax Collector for the Northern part of Randall County and collected approximately \$30,000 taxes per year during the past four years.

We know Bob Barnett to be a law enforcing officer, based upon his six years experience as a Peace Officer. We know, if elected Sheriff of Randall County, he will enforce the law without fear or favor to any special group, organization or political machine.

Vote for Bob Barnett. He is the man who will and can enforce the law to the satisfaction of every law abiding citizen of Randall County.

Subscribed and Paid For by Friends and Supporters of Bob Barnett

## VOTE FOR PETER J. MEYERS FOR COUNTY COMMISSIONER PRECINCT NO. 1

### Knows Road Building By Experience

He has had 35 years experience in Supervision and Construction of Road Work (the largest item of expenditure on the county budget). He knows how this work can be best and most economically done.

### Economy

He will use strict economy in everything that concerns the county, keeping the roads in as good condition as the money will allow.

### 25 Years a Home-Owner and Tax-payer in Randall County

He is acquainted with conditions and property valuations in Randall County and will work for the equitable valuations of property and distribution of taxes.

### Cooperation with Tax Payers

He will cooperate with the taxpayers in every way possible in all things pertaining to the office.

### P. J. Meyers Will Make You a Good Commissioner.

VOTE FOR HIM JULY 23.

BERL EDWARDS MAYFIELD

VOTE FOR

## Berl Edwards Mayfield

Candidate for Re-Election

### County and District Clerk

It is important that the office of County and District Clerk be placed in competent and experienced hands. I appreciate the honor the voters of Randall County have bestowed upon me by entrusting this office to my care.

I shall be grateful for each and every vote given me and assure you that the preparation and experience I now have will enable me to fulfill the duties of office more efficiently than before.

## To Be Stylish, Frocks Must Be Versatile

WITH JACKETS AND ACCESSORIES, WARDROBE MONOTONY MAY BE AVOIDED TO KEEP YOUR DRESSES INTERESTING

BY HARRIET

A FROCK that doesn't know how to change its appearance when it wants to hasn't learned the latest fashion secrets. The dress with a dual personality that depends entirely on the place it is going, takes the most fashion tricks this summer.

A simple suit may be as severely tailored and smart as you please when worn with accessories that emphasize chic instead of femininity, or it may make you as appealing as a cool breeze if you play up the feminine vogue.

Don't let your clothes tell the same story every time you wear them. Vary the tale, and see how many more listeners you will have.

For summer afternoons when you want to appear cool and attractive there is a sports frock with a V-neckline that has small bows on the shoulder. The sleeves are short with turn-back cuffs.

The frock depends for most of its distinction on the material from which it is fashioned. It uses a suede finish jersey fabric of new dull Acele, which follows the vogue for chalky suede-finish in knit fabrics. The rough finish is growing in popularity.

Worn with a white hat, gloves and white and black, or white and brown oxfords, it makes a youthful summer sports frock.

THE same frock can be converted into a street costume and get where it wants to go without any trouble. A double-breasted jacket which features four pearl buttons comes in the same material. The jacket, a small, dark hat with the suggestion of a veil over the forehead, dark suede gloves, dark shoes, and a pocketbook and scarf that throw small polka dots all over their dark surface make the suit as intriguing as anyone could wish. The accessories may be black, or brown.

This fabric comes in drop-stitch effects, fancy cords and other designs that are equally attractive.

The plan of choosing a light colored material such as white or

A charming sport frock in suede-finish jersey fabric, made of new dull Acele, is shown at left. Add a jacket, change your accessories and—presto!—you have the smart costume shown at right. In addition to the slight ribbed surface shown, the fabric is to be had in other piques, drop-stitch effects and in a variety of fancy cords.

beige for your frock or suit, and setting it off with dark accessories is unusually striking. Then, too, by changing the accessories which are worn with the street costume, you may take as many different

fashion tricks as you want to. The main thing is to get a good-looking frock and jacket as your basis. After that, you may go down any style avenue that you please.

## Tentative Plans Are Presented Society

BUILDING COMMITTEES OF W. T. P. P. H. S. MEET IN JOINT SESSION

At a joint meeting held in Amarillo Saturday, July 9, the building committees of the Panhandle-Plains Historical Society and the West Texas State Teachers College began actual preparations for the construction of the new museum building on the W. T. campus. The committees met at the home of Mrs. W. T. Coble.

L. F. Sheffy, Secretary of the Society, reported on the condition of the final canvas for campaign funds, emphasizing the need of \$1500.00 yet to be raised and indicated that the campaign will be pressed vindictively during the next few days while architects are completing final plans. Rittenberry and Carter, architects, presented tentative plans to the committees. These were approved and it is hoped that they will be completed within the next ten days or two weeks.

Dr. Hill announces that at the meeting it was decided to change the building's location. It is now to face Fourth Avenue just opposite to Randall Hall instead of facing west. The change is due to the shape of the block, it being longer north and south. With the Museum facing south, additions and future construction may be made later on with greater conservation of space.

The building committees hopes to advertise for bids before the first of August.

As designed the building will be 150 feet by 45 feet; a basement running the entire length; and so constructed that additional space may be added with a minimum of waste. Across the front of the building the brands of fifty or more West Texas ranches are to be worked in marble and stucco. The decorations and theme of design will be in keeping with traditions, folklore, and features of the great Southwest.

Those present at the meeting included: L. F. Sheffy, R. A. Terrill, Miss Tennessee Malone, Miss Miltia Hill, and Dr. J. A. Hill, members of the college building committee; and T. D. Hobart, Mr. and Mrs. W. T. Coble, Judge J. D. Hamlin, Horace Russell, and Mrs. Olive K. Dixon, members of the Society building committee.

There is method in some madness but many folks are not sane enough to see it.

### Dr. Hill to Talk To Summer Group At N. T. S. T. C.

President J. A. Hill left last night for N. T. S. T. C. at Denton where he will speak as a representative of the Texas State Teachers Association before some 650 students enrolled in a special course being offered there this summer.

The course, a new feature in Teacher's college circles, consists of five series of lectures of one week each given by prominent men from different sections of the country. Students will be given credit for a course in education.

Dr. Hill will be on the program today, returning to Canyon tomorrow after having conferred with R. T. Ellis, Secretary of the State Teachers Association, in Fort Worth concerning association affairs.

## To The Voters of Randall County

It has been a pleasure for me to meet you and discuss with you the issues involved and my qualifications for the office of

### SHERIFF and TAX COLLECTOR

I wish to thank those many friends and supporters who have given me encouragement and assisted me in making this race, and who have vouched for my qualifications.

If I have failed to see any voter during this race it has not been intentional. It has been hard to visit with everyone in making this, my first race for public office. I am at this time asking for your careful consideration of both my qualifications and my past record as a peace officer and resident of Randall county.

If the citizens of Randall county so honor me by electing me as their next Sheriff and Tax Collector, I pledge my word and honor to render a term of competent and efficient service, fulfilling to the best of my ability all of the duties required of that office. I shall carry out these obligations without fear or special favor to anyone.

A Home Man for a Home Job. 33 years in the County, 5 years Experience. Knows the People, Knows the Work. A Fair Deal to Everyone.

## P. FRANK HICKS

Candidate For

### SHERIFF and TAX COLLECTOR

RANDALL COUNTY

## To The Voters of Randall County:

It has been impossible for me to see all of you without neglecting too much the work of my office and I am taking this method of reaching you.

I stand upon my record. Since I came into office, Randall County has issued no bonds or time warrants. It has paid off \$35,000 of its indebtedness. It had \$15,700 more cash on hand in the active funds the 8th of July this year than it had the 8th of July last year. Sinking fund money lying in the bank has been re-invested so as to yield the county \$1,798 more this year than it did last year. In the next ten years this alone will amount to a considerable sum.

About half my time has been devoted to the country schools. When I ran for this job two years ago, I promised to visit them. Last winter I made 146 school room visits. This travel and an assistant to stay in the office while I was out cost extra money, but the county did not pay it. The county appropriation for office and traveling expense was and is just the same that it has been for a number of years. Our average school term was lengthened last year until it was only five days shorter than that of Canyon or Amarillo. All improvements made and all equipment purchased is paid for. The bonded indebtedness of districts was reduced \$6,000. All teachers received their pay promptly and there is enough cash on hand to run the first four months of next year. School taxes were cut in five districts and raised in none.

Now in conclusion, not all has been done that I would like to see done, either with the schools or with the county's finance, nor will it be if you re-elect me. I have done the best I could under conditions as they arose. Expenses were cut last year; they will be cut this year, and can be cut still more next year. I know more about Randall County's finance and more about the Randall County country schools now than any one else. With this knowledge and with the experience I have had in teaching and in business I feel that I can perform the duties of County Judge better than one who has not had such experience.

## S. B. ORTON

Candidate for

### COUNTY JUDGE

# Panhandle Baptists to Meet in Ceta Canyon

Annual Assembly To Be In Session From July 18 To July 24.

Twelfth Annual Session of the Panhandle Baptist Assembly will be held at Ceta Canyon from Monday, July 18 to Sunday, July 24th, inclusively, with a very interesting program planned for each day, according to A. C. Huff, chairman of the Program Committee.

A number of well known speakers who are prominent in the activities of the Baptist church will have a part in the assembly. Dr. F. B. Thorn of Waco will be the assembly pastor. G. S. Hopkins, the Sunday School conference leader; T. C. Gardner the B. T. S. conference leader; and Mrs. B. A. Copass, state president, will be the W. M. U. conference leader. Mrs. Hattie P. Baker of Amarillo will be the daily vocation B. S. leader; C. O. Huber of Canyon will be song leader, and Mrs. Huber and Miss Margaret Thompson will be pianists during the assembly.

The program in detail as sent out by Mr. Huff is as follows:

**Monday, July 18**  
Social activities, Rev. R. E. Bost, Dimmitt.

**Vesper Service, Rev. E. R. Lansdown, Friona.**  
Introduction of Speakers and other Leaders.

**Song Service.**  
Special Music, Dimmitt Church. Sermon.

**Tuesday Morning, July 19**  
Song Service.

Special Music, San Jacinto Baptist Church, Amarillo.

**Tuesday Evening, July 19**  
Social Activities, A. O. Thompson.

**Vesper Service, Rev. O. K. Webb, Memphis.**  
Address, T. C. Gardner.  
Special Music, Men's Quartet, Hereford Church. Sermon.

**Wednesday Morning, July 20**  
Song Service.  
Special Music, Mr. and Mrs. C. O. Huber. Sermon.

**Wednesday Evening, July 20**  
Business Session in Afternoon.  
Social Activities, Mrs. E. F. Simpson, Amarillo.

**Vesper Service, Rev. John O. Scott, Happy.**  
Address, Mrs. B. A. Copass.  
Special Music, Ladies Quartet, Dalhart Church.

**Thursday Morning, July 21**  
Sermon.  
Song Service.  
Special Music, Floydada Church. Sermon.

**Thursday Evening, July 21**  
Social Activities, Representative of Wayland College.  
Vesper Service, Rev. Herman Coe, Plainview.

Wayland College Service, Dr. G. W. McDonald.

Special Music, Wayland College. Sermon.

**Friday Morning, July 22**  
Song Service.

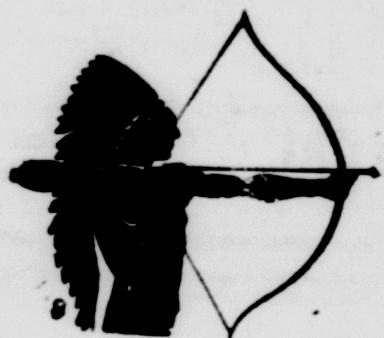

Special Music, Canyon Church. Sermon.

**Friday Evening, July 22**  
Social Activities, Mrs. C. O. Huber.

Vesper Service, Lockney Pastor. Buckner Orphans Home, Hal Buckner. Sermon.

**Saturday Morning, July 23**  
Song Service.

Sermon.

8:20 Special Music, West Amarillo Church.  
8:30 Sermon.

## CANYON CITY CLUB NEWS

**CAN CLUB NEWS**  
Plainview took very kindly to the Clubs Golf Course Sunday and chastised the Canyon team seven and one-half points to six and one-half, leaving Hereford and Canyon tied for last place in the league; Hereford having lost to Tulla at Hereford Sunday. Tulla is leading the League, followed by Clovis, and Plainview. The next game the Club plays is at Hereford August 7th.

Jimmie Gamewell carried Kimbrough, Plainview's Ace to the 19th green only to lose. Bill Bryant carried Big Boy Yates the same distance and suffered the same fate as Jimmie, those two matches being the only extra hole matches of the day.

Gaines, Craig, Reeves, Duflot, Neff, Hartman, Shotwell, Kleinschmidt, Davault and Savage registered victories for the Club, while Gamewell, Cope, Lockhart, Foster, Bryant, Donnell, Brown, Mickle and Shotwell lost to the Plainview boys.

The course was said to be in the best condition since the back nine has been added. The Plainview players conceded the back nine to be the most golf of any nine holes in the Panhandle. They said it was not only tough but double tough.

Reecer of Plainview parred the course Sunday, being the first 72 made in tournament play since the completion of the course; he took a 36 on the front nine, one over par and a 36 on the back nine, one under par to finish perfect.

A perfect golf swing in practice is easy but very difficult when a ball is to be struck. Ask any sufferer.

The children's wading pool was very popular Sunday; fourteen were observed in the pool at the same time.

Mrs. A. M. Smith returned Friday from a five-weeks visit with her daughter, Mrs. A. B. Cox at Las Cruces.

Miss Edna Crawford of Channing is the house guest of Miss Lucy Schmitz this week.

Mrs. T. J. Rutledge and son, Max, of Lubbock is visiting this week in the home of her daughter, Mrs. John Jackson.

Guests at the home of Mrs. B. Brewer Saturday were, Mrs. G. B. Moss, Mrs. Cecil Jones, of White Deer and Mrs. O. S. Walsh of Memphis.

Mrs. N. E. McIntire visited last week in Tulla with her sister, Mrs. G. C. Hutchinson, who is convalescing from a broken back which she received several weeks ago. Rhea Robbins and Chas. Green spent Sunday in Hereford.

With a "Refrain"  
In George Washington's day, drink was served at every function, including funerals. Washington began to realize that alcohol was hurting his men, and he advocated singing a temperance pledge.—Cortland (N. Y.) paper.

**SLIPS THAT PASS IN THE NIGHT**  
Cut Out The Kids  
Wanted—White girl for general housework and care of children.—Hartford Daily Times.

## Gamblers Would Legalize Betting on Horse Races

To The News:  
I wish to call the attention of the voters to the attempt being made by professional gamblers of Fort Worth and Dallas to elect a legislature favorable to the passage of a bill in the next session of the legislature which would legalize gambling. One man from Fort Worth was in this section in December checking upon the candidates for the legislature to find out their attitude. Two more men came two weeks ago to find out how the campaigns were progressing.

Next to the threat of legalizing the manufacture and sale of liquor, the most serious economic threat to Texas lies in the serious and determined effort now on foot to legalize race track gambling in the next legislature so that we can have legalized betting on horse races on the parimutuel system, and to elect a legislature committed to that proposal.

If any merchant or banker or public utility in Texas wants to know what havoc would be wrought to buying power and prosperity of the community by race track gambling all they have to do to find out is to investigate its results in the cities which have tried it out, notably Louisville, Ky., which was well-nigh ruined by the race track gambling. Get them to read the condemnation of it by the Chicago Federation of Labor. People can't pay their bills, nor their rent, nor buy homes, nor automobiles, nor merchandise when they have lost their money in parimutuel race track gambling.

If the voters are opposed to having legalized race track gambling established by the next legislature, they had better find out how your candidates for the legislature stand for this question before voting in the coming primaries.

Race track gambling and business prosperity won't mix.

A VOTER.

**Two Heads Better Than One.**  
Mill probably has attracted more attention than any of the other riders. This two-headed youngster with the baby face has shown a brand of horsemanship that should carry him far in his game.—Baltimore Evening Sun.

## C. R. HOLLAND

— for —

## County Commissioner

PRECINCT NO. 1

My platform as a candidate for Commissioner is:

1. Reduction of public expenditures in the County.
2. Economy in all County Funds.
3. Tax Reduction.
4. Equalization of tax burdens.

If you are in favor of this kind of a program, elect me as your County Commissioner on Saturday, July 23. I promise to give my best effort to the achievement of this program.

### HOW DO YOU LOSE?

Houston Chronicle: What kind of a loser are you?

Can you spring back with enthusiasm and try it again?

Or do you get down in the mouth and say "what's the use?"

It is not very pleasant to play with a person who loses his temper.

And you don't get much satisfaction from your play spells if you rage over defeat when the other fellow gets the best of you in legitimate play.

If you are a parent you have probably censured or possibly whipped your son for fighting during games.

Usually he resorts to fisticuffs

because he disputes the right of some other lad to the points he wins.

His opponent is likely to have been the winner because he kept his head and your son is perhaps depending upon his brawn, and that won't do.

Aren't you little better than your son when you constantly contest the winners over your play? Being older and more sensible you don't fight with your companions, which is about the only difference.

## News in Canyon 25 Years Ago

(From the files of the Canyon City News, July 12, 1907)

Canyon City is harvesting and marketing her second crop of alfalfa. It is yielding near a ton to the acre and bringing \$12, P. O. B.

Threshing out in the neighborhood of the G. L. Abbott ranch yesterday. Not much of last night's rain reached there.

"Uncle" Jim Wesley of Ceta gave an ice cream supper Monday night to celebrate his son, Mark's birthday.

Hereford has by ordinance prohibited the keeping of hogs within the city limits. Another move in the right direction.

Mayor Buie of Stamford, attending the mayors' convention in Amarillo, spent Sunday here with his brother, Judge B. F. Buie, and family.

J. D. Gamble got back last week from a stay at Mineral Wells. While there he heard W. J. Bryan lecture and says that it was one of the best things he ever listened to.

J. E. Rogers has purchased from P. H. Salters the old W. J. Hall residence and lots which he formerly owned. Mr. Salters, who has been doing carpenter work here, will return to his old home in Iowa this week.

this week.

Mr. and Mrs. H. James of Ceta were in town trading Monday. Mr. James stated that no grain had been threshed in his section up to that time but that Wednesday had been set as the day to begin. He also said that all other crops were doing fairly well.

The commissioners' court under the direction of Judge Henson and commissioner Lofton, is fixing for four cement walks leading to and from the courthouse. T. J. Roach has been hired by the day to do this job, the court furnishing the material.

Dr. Ingham is feeling good over the fact that at the State Dental examination he was among those who passed. Out of the 93 who took the examination only 31 were granted certificates. The News is certainly glad that our dentist is among the honored number.

## Wayside Items

Harvest still in full swing. Quite a lot of wheat yet to be cut. Late rains have possibly been of considerable benefit in filling out the grain. Pastures and row crops are fine, gardens and all vegetation are growing nicely.

Uncle Reuben Rogers of Happy visited Wayside Friday. Came out with his nephew Fletcher Rogers, who was out on business. Uncle Reuben lived here twenty years and is always a welcome visitor.

## All Set for a Royal Time

Judging by their expressions, these three youngsters evidently think their auto is one fit for a prince. And quite fitting, too, for all three are members of the royal family of Yugoslavia. Crown Prince Peter, standing, is teaching his younger brothers, Prince Tomislav and Prince Andrija, some of the rudiments of driving just before they set out on a tour of the royal summer estate, at Bled Palace, Slovenia.

He is looking very well. Think he plans to be with us in August at Old Settlers Reunion.

Rev. A. E. Butterfield gave us an earnest message Sunday morning. Subject "Death." An excellent sermon.

Mrs. Floyd Adams attended Sunday School and church services last Sabbath, bringing her nieces, Annette, Polly and Mackie. All good who came from their home at Big Spring, the past week, and will spend the remainder of the summer here. Annette, who accidentally got her left hand caught some time ago in a power washing machine, literally peeling the back, is almost well.

Rev. Butterfield, W. J. Sluder and wife, G. W. Franklin and wife were callers Sunday afternoon at the W. R. Franklin home.

George Hancock, wife and Jerry Lane, Miss Betty, his sister, who spent the past week with them, together with Tom Ragsdale and sister, Miss Jean of Pampa, spent Saturday night at the Gordon-Cummings grounds fishing. They returned Sunday morning.

Miss Marcella Spann, who has been away some months, returned home Friday. She visited points in New Mexico, Fort Worth and Dallas and other parts of Texas. Her mother is in very poor health.

Francis Knox of Morse, Corrine Rogers of Panhandle are visiting Wayside relatives. Both formerly lived here.

Do Your Shopping in Canyon.

## FIRST CHURCH OF CHRIST SCIENTIST

15th Street, 7th Avenue.

Services every Sunday at 11 and Wednesday at 8 p. m. when testimonies and remarks on Christian Science are given. Sunday School meets at 9:45. All under twenty years of age are invited to attend these classes. Subject for Sunday, "Life."

A reading room is maintained in the church from 3 to 5, on Tuesdays, Thursdays and Saturdays, excepting holidays, where the Bible and authorized Christian Science Literature may be read, purchased or borrowed. The public is cordially invited to attend these services and to visit the reading room.

## CITATION BY PUBLICATION THE STATE OF TEXAS.

To the Sheriff or any Constable of Randall County—Greeting:

You are hereby commanded to summon J. J. Donovan, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Randall County, to be holden at the Court House thereof, in Canyon, Texas, on the first Monday in August, A. D. 1932, the same being the 1st day of August, A. D. 1932, then and there to answer a petition filed in said Court on the 22nd day of June, A. D. 1932, in a suit, numbered on the docket of said Court, No. 1340, wherein Florence Donovan is Plaintiff, and J. J. Donovan is Defendant, and a brief statement of plaintiff's cause of action, being as follows:

Plaintiff sues for divorce, alleging that she has been for a period of more than twelve months prior to the filing of this petition an actual bona fide inhabitant of the State of Texas, and has resided in Randall County, Texas, for more than six months next preceding the filing of this petition; that plaintiff and defendant were lawfully married on or about September 1, 1914, and continued to live together as husband and wife until about May 1st, 1916; that plaintiff during said time treated her husband with kindness and forbearance; that on or about May 1, 1916, defendant left and abandoned plaintiff and has never returned but has permanently abandoned her for more than fifteen consecutive years. Plaintiff alleges that defendant was guilty of excesses, cruel treatment, and outrages toward her, such as to render their living together insupportable; that shortly before he left plaintiff he slapped her and her two minor children to plaintiff's great grief and humiliation. Plaintiff alleges under oath that the residence of defendant is unknown to her and prays for citation by publication.

Herein fail not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Canyon, Texas, on this 22nd day of June, A. D. 1932.

(Seal) BERL E. MAYFIELD,  
Clerk, District Court,  
Randall County, Texas.

# TEXAS RAILROADS PAY SUBSTANTIAL PART OF STATE'S TAX BURDEN

● Taxes is one of the large fixed charges connected with the operation of Texas railroads. From the standpoint of the welfare of state, counties and communities, railroad taxes are of much importance. This annual obligation must be met from the earning capacity of the rail carriers.

In 1931 the railroads of Texas paid a total of \$8,303,108.47 in federal, state, county, municipal and miscellaneous taxes. The distribution of this amount to the various tax funds is shown below:

	Amount Paid	Per Cent of Total Tax Paid
U. S. Government.....	\$ 61,270.13	.74
State .....	1,954,435.47	23.54
County .....	1,146,669.97	13.81
Roads .....	1,699,764.15	20.47
Improvement Districts .....	175,606.87	2.12
Schools .....	1,437,152.74	17.31
Cities .....	1,792,994.61	21.59
Miscellaneous .....	35,214.59	.42
<b>Total .....</b>	<b>\$8,303,108.47</b>	<b>100.00</b>

It can thus be seen that railroad taxes represent an important and indispensable factor in the economic life of our state. They help in a large measure to pay the expense of our state, county and municipal government, build and maintain highways, pay the cost of drainage and other improvements, and support our schools and educational institutions.

It is the desire of Texas railroads to extend this helpfulness to Texas counties and communities in carrying this heavy burden. However, their ability to meet these obligations as they become due depends upon their ability to earn sufficient revenue with which to pay this and other heavy expenses connected with their operation.

● RAILROADS HAVE ALWAYS SHOULDERED THEIR SHARE OF RESPONSIBILITIES TO THE NATION, THE STATE, AND THE CITIES AND COMMUNITIES THEY SERVE, AND WILL CONTINUE TO DO SO TO THE EXTENT OF THEIR ABILITY.

## THE TEXAS RAILROADS

When your creditors are not demanding money from you the government is.

Trouble, worry and eczema are three things that are not helped any by scratching them.

After a week at the head of the Chilean government, Charles G. Davila was forced out of office. We may now open a book, "My Seven Days as President of Chile."

Help Keep Canyon Clean!

One way to get rich is to have the courage to say "No" at the right time.

Youth must be served, but it is frequently hard on father's pocket-book.

## MAKE THOSE REPAIRS ON YOUR HOME NOW!

## College Students Visit at Helium Plant Monday

Dr. W. M. Deaton Gives Explanatory Talk to the Visitors

Sixty-five college students and faculty members visited the United States Helium plant at Amarillo Monday. The excursion was planned as a special feature open to the students of the summer school.

The trip was made possible thru the courtesy of Superintendent C. W. Seibel and the visitors were conducted over the plant by Dr. W. M. Deaton, who is in charge of the laboratory.

Arrangements for the trip were made by the Bureau of Public Service and Dr. C. A. Pierle.

Dr. Deaton spent about two and one-half hours explaining the processes through which gas from a field about fourteen miles from the Helium Plant is put through to secure the 98% pure helium which is shipped from this point. Dr. Deaton explained that after the helium is removed the gas is turned back into the main and is burned in the city of Amarillo. He explained that the gas is really a better fuel after the helium is removed than before, since helium is non-inflammable.

At the close of the trip through the plant, Dr. Deaton gave some very interesting demonstrations using liquid air. He showed how the air would instantly freeze rubber tubing so it was so brittle that it would break like stick candy.

Many of those who made the trip found machinery which is used in securing the helium fully as interesting as the chemical processes which are employed.

Dr. Deaton said that the Helium Plant of Amarillo is the only one in the United States in operation. There being two small plants, one in Kansas and one in Colorado, both privately owned, but neither being operated at the present time. The gas field at Amarillo is the heaviest helium bearing gas in the world.

Helium is so valuable that private enterprises can secure it for only experimental purposes and only through agreement of the United States government.

Thirty tank cars of helium were required to fill the Akron.

The excursion to the Helium Plant was one of several which have been arranged this summer. One has gone to the Carlsbad Cavern; others are going to the Cavern and to Taos and Santa Fe this week end.

Several trips to interesting commercial plants are being planned for the next six weeks.

Jack Oakie, W. C. Fields, Andy Clyde, Ben Turpin, Lyda Roberti, Hank Mann, and George Barbier are visiting the Olympic Theater, Sunday, Monday, Tuesday, in a real comedy, "Million Dollar Legs." Adm. 25c.

## Play Evening To Be Held Buffalo Stadium Tonite

A Play Evening to acquaint students of the college with ex-students, townspeople and faculty is being held this evening (Thursday) under the flood lights of the Buffalo stadium. The event is being sponsored by the Ex-students and the faculty of the West Texas State Teachers College, according to L. N. George, secretary of the Ex-students Association.

The evening will be spent in informal games. Several features have been planned by the county clubs who will present a number of stunts. Two baseball diamonds will be in readiness for games. Rope jumping, volley ball, broad and running jumps and horse shoe pitching contests are to be held. The women summer school students have challenged the men of the faculty to an indoor baseball game and as the challenge has been accepted, this event promises to be one of the highlights of the evening, says Mr. George.

The townspeople and all the ex-students in the city are urged to attend and take part in the entertainment. The play will begin at 7:30. Ice water is to be furnished for those attending.

## Jowell Items

Mr. and Mrs. M. W. Dooley and children returned last week from a trip to Wyoming.

Mrs. Brigham and daughter of Fort Worth are visiting at the home of her parents, Mr. and Mrs. H. F. Garvin.

Mr. and Mrs. Walter Graham were in Canyon Wednesday, Mr. Graham attending court.

Mrs. Anthony of Tulsa is visiting in the home of her daughter, Mrs. John Hammond this week.

Mrs. Frank Davis spent the day Thursday with her mother, Mrs. Lybarger near Arney.

Mrs. H. F. Garvin and daughter Mrs. Brigham, were in Hereford Monday.

J. J. Leavitt and A. L. Glenn were in Amarillo on business Saturday.

Mrs. Bill Sims visited with Mrs. Hammond Sunday.

## AMARILLO GIRL NARROWLY ESCAPES DROWNING SUN.

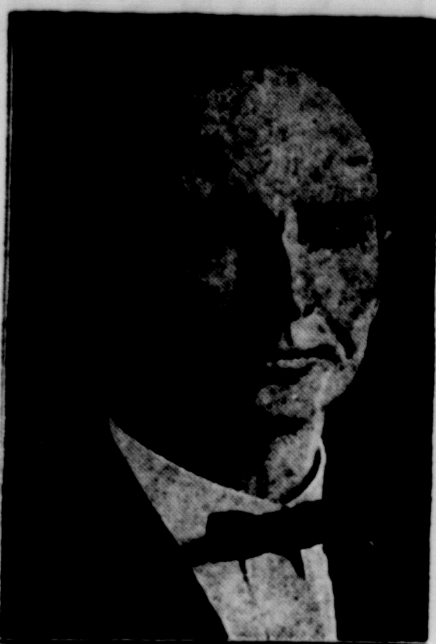

Miss Rosemary Lewis, 18, of Amarillo, narrowly escaped drowning Sunday when she stepped into deep water in McSpadden Lake, one mile southeast of Canyon, and her uncle, O. V. Mayben of this city, almost lost his own life because of heavy clothing when he attempted to rescue her.

Ed Weeks of Canyon swam to the rescue of the pair and brought them to shallow water where others aided in bringing them to the shore. Miss Lewis was given artificial respiration, and was revived within a short time.

## GUESTS IN MEYERS HOME.

Guests in the homes of Mr. and Mrs. Will Meyers this week are: Mr. and Mrs. J. D. Price, Mr. and Mrs. W. C. Meyers and Mrs. Lillian Daffern, all of Plainview, and Rev. and Mrs. Bozarth of Enid, Oklahoma. Mrs. W. C. Meyers has just returned from a visit with her parents, Rev. and Mrs. Bozarth.

## George B. Terrell Visited Here As a Candidate Congress

GEORGE B. TERRELL

George B. Terrell, former Commissioner of Agriculture, was in the city yesterday on his campaign for Congressman at Large, Place No. 1. Mr. Terrell is at present a member of the Legislature. He stated that the next session of the legislature would be the most important in Texas for many years and he hoped that men of experience and training would be elected.

He is highly pleased with the outlook of his campaign and believes that he will be in the runoff. His long tenure of public office has highly qualified him for the position he now seeks.

## Gas Officials

(Continued from first page)

company had realized the presence of the depression, no steps would have been taken five years ago.

The average rate at the gate for Canyon is 30 cents as paid to the South Plains Pipe Line company. Including the interest paid on bonds, the distribution system here has not made money.

If the petition was granted to lower the rates to 50 cents, the company would lose at least \$15,000 per year stated Mr. Crenshaw.

Asked by Mayor Burrow the difference between the rate at the well and the city gate, Mr. Crenshaw stated that no one connected with the business could realize the expense in keeping up the pipe line. The crossing on the Palo Duro Canyon had cost the company \$10,000 and the recent rains had washed out the creek so that more expense faced the company. The company was forced to hold from 25,000 to 30,000 acres of proven gas land in reserve in order to guarantee its supply in the future.

Many other phases of the gas business were discussed during the meeting, which was informal in nature, but for the purpose of showing the commission that the request of a 50 cent rate could not be met.

Mr. Hinchey stated that the city auditor of Lubbock had carefully investigated the books of the company and that Lubbock was satisfied that the rates could not be lowered. Midland had investigated the rates, and had not taken

en steps to force a reduction.

It was pointed out that Col. E. O. Thompson had promised to send engineers from the State Railroad Commission to investigate the rates, and Mr. Hinchey promised every co-operation when this investigation was made. He was anxious that all the light possible be given the patrons regarding the question of rates.

## Canyon Asked To Enter Beautification Contest

Canyon has been asked to enter the Inter-Community Beautification Contest just launched by the West Texas Chamber of Commerce.

Rules and regulations of the contest, an entry blank, and a letter inviting Canyon to enter have been received by Fred E. Wortham, manager of the local chamber from D. A. Bandeen, General Manager of the regional chamber.

Wallace R. Clark, the local director of the regional chamber, has also received an announcement of the contest and a letter from President Wilbur C. Hawk and Chairman Houston Harte of the beautification committee, urging Canyon's entry in the contest.

The purpose of the contest is to promote the beautification of the West Texas landscape and appearance of West Texas communities by stimulating competition between the cities in beautification and clean-up activities. All affiliated towns of the West Texas chamber are eligible for competition in the first year's contest which will close with the 1933 convention in Big Spring. The contests have been announced to run for a five year period—the same time of the All-West Texas Beautification Program of the regional chamber that was launched last year, and of which this contest is a part.

A loving cup will be awarded annually at the conventions of the West Texas Chamber to the town showing the best results in beautification activities as determined from the reports made prior to the convention covering the year past. In addition the winning city will have its name carried in West Texas To-day each month for a year together with a description of the honor won.

Home planting and beautification, painting and repair, city property beautification, and county and rural beautification will be factors in the judging.

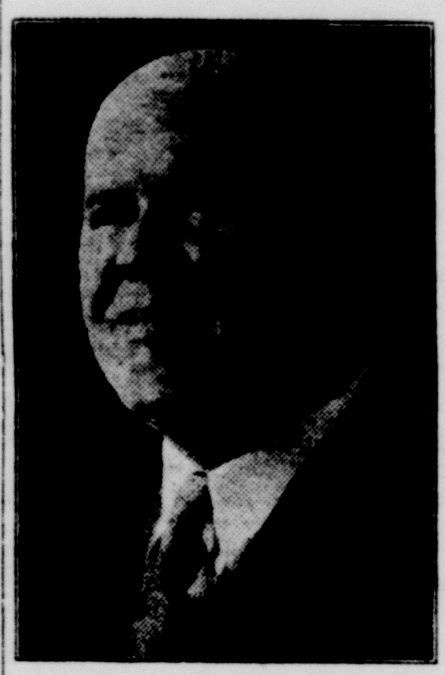

## MUSEUM HAS MANY WELL KNOWN VISITORS RECENTLY

The Panhandle-Plains Historical Museum has had a number of prominent out-of-town visitors during the past week, including in these were Wilbur Keith, executive secretary of the Masonic Service Association of Texas; Alva Bryan, Grand Master of the Grand Lodge of Texas; Mrs. Earl Wyatt, president of the Texas Branch American Association of University Women; and Mrs. W. W. Flenniken of Amarillo; Lon Cowling of Wichita Falls; Levi Fry, Texas City; R. J. Parker, El Paso; Mr. and Mrs. H. O. Bennett, Kansas City, Missouri; Mrs. J. N. Riggs, Jr., Fort Worth; and M. B. Cogdell of Abilene.

## THE GREAT AMERICAN HOME

## Ed T. Murphy Has Record Favoring Cause of Education

People of Canyon are interested in the candidacy of Ed T. Murphy of Polk County for the place on the Railroad Commission to fill out the unexpired term of former Governor Pat M. Neff. Mr. Murphy has been a member of the legislature for the past two sessions and as a member of the Appropriations Committee has always stood for public education.

He worked his way through the Sam Houston State Teachers College at Huntsville, and was County Judge before being elected to the legislature. He has a deep interest in all state affairs, especially that of education.

## Swimming Expert To Give Talks On Life Saving

Ned Campbell, American Red Cross representative, will give a series of first aid, and life saving talks, and demonstrations on Wednesday, July 20, in connection with a safety program sponsored by the College and the Randall County chapter of the American Red Cross. These talks and demonstrations will be given at the College.

Senior Red Cross life guard and examiner's tests will be given by Mr. Campbell for both men and women. A number of college students are training for the tests under the direction of Miss Ruth Cross and Mitchell Jones.

Mr. Campbell is well qualified to conduct the program here. He is a former director of first aid and life saving of the Fort Worth Tarrant County chapter of the Red Cross, joining the Midwestern Branch of the Red Cross in 1926. He is a graduate of Cumberland University, Lebanon, Tenn.

A fortune in fun, frolic and foolishness. . . . A king's ransom in rags, girls, and giggles. . . . roaring laughs in a picture of Goofy Dust and Frog Fur. Listen in at the Olympic Sunday, Monday, Tuesday. Adm. 25c.

Tall people always manage to get the front seats and women with the largest hats never remove them.

## CLASSIFIED ADVERTISING

Classified rates are two cents per word for the first insertion, and one cent per word for each subsequent insertion. This rate applies to all legal notices. All classified advertisements must be paid in advance unless arrangements are made in person to care for the payment of them. Classified ads received through the mail will not be published unless accompanied by the cost of insertion. Word ads intelligently—do not try to save a few cents by leaving out necessary words; tell who, what, where, and, if essential, when and why.
